# Assignment description for Section board member with labour market responsibilities

## Background

Göta studentkår represents four faculties through its four sections. Each section has a board with a section chairperson.

## Purpose

The purpose of the section board is to lead the work within the section. The members of the section board each have distinct areas of responsibility, which together advance the section's operations and contribute to an improved study experience for its students.

## Overall responsibility

Section board members are required to participate in section board meetings where elections, decisions, and discussions regarding the section take place. Board members should participate in the section's operations to the best of their ability.

## Organization and authority

Section board members are elected by the Representative Assembly. The board members collectively decide on the section's operations.

## Labour market responsibilities

The section board has the task of supporting students with labour market issues within the section. The section board member with labour market responsibilities works to facilitate the transition of students from studies to the workforce.

## Tasks related to labour market responsibilities

- › Plan and participate in labour market-related activities within the section.
