# Assignment description for Section board member responsible for work environment

## Background

Göta studentkår represents four faculties through its four sections. Each section has a board with a Section Chairperson.

## Purpose

The purpose of the section board is to lead the work within the section. The members of the section board each have distinct areas of responsibility, which together advance the section's operations and contribute to an improved study experience for its students.

## Overall responsibility

Section board members are required to participate in section board meetings where elections, decisions, and discussions regarding the section take place. Board members should participate in the section's operations to the best of their ability.

## Organization and authorities

Section board members are elected by the Representative Assembly. The board members collectively decide on the section's operations.

## Work environment responsibility

The section board is tasked with supporting students with questions regarding their work environment and safety matters within the section. The section board member responsible for work environment works to promote the working environment within the section.
